PRAMOD ADHIKARI

Content Writer • Junior Web Developer • AI Prompt Engineer

PROFILE

BSc.CSIT graduate (Tribhuvan University) combining four years of professional content writing with basic web development skills. Experienced in SEO-optimized writing, AI prompt design and brand-aligned visuals, and currently building a web-based management system with Node.js. Detail-oriented, adaptable and eager to grow in a technical role.

EXPERIENCE

Graphics Designer / AI Prompt Engineer | Gamenic Nalamiz Tech.

Liwali-8, Bhaktapur • October 2024 – April 2025

- Worked with design and development teams to create digital assets for marketing, mobile and web platforms using Adobe Photoshop, Illustrator and Figma.
- Wrote precise language prompts for AI tools such as Midjourney to generate high-quality, brand-aligned visuals.
- Tested emerging AI tools and refined prompt strategies to streamline creative workflows and keep storytelling consistent.

Content Writer | Falano College, Chabahil

August 2021 – Present

- Create informative content on +2 level education in Nepal to help prospective students choose the right streams and courses.
- Write clear, SEO-optimized articles; compile and solve past exam papers.
- Keep all website information accurate, consistent and user-friendly, improving the site's visibility, readability and user experience.

PROJECTS

Web-Based Management System | Ongoing

Current project

- Building a full-stack web application with a Node.js / Express server, database layer and browser front end.
- Handling data storage, environment-based configuration, project documentation and dependency management with npm.

Personal Portfolio Website | GitHub Pages

Live at pramod-adhikari.github.io/Pramod-portfolio

- Designed and published a personal e-portfolio website showcasing my work and skills.

EDUCATION

BSc.CSIT, Tribhuvan University (TU) | St. Lawrence College, Chabahil

March 2021 – June 2025

Completed the eighth semester. Studied programming, database administration, software engineering, networking and web development while working full-time as a content writer.
